

# HOW TO LOGIN TO CHOICES

- Go to:

<http://findyourmajor.louisiana.edu>

- Click on the “Assessments” Tab
- Click on “Choices” on the left side of the page
- Click on “Go to the CHOICES website Now”
- First time user: Create a new portfolio
- Returning user: Login using your Portfolio name and Password
- Click on the **Choices Planner** box to gain access to your portfolio
- Click on the blue **Work tab** to begin building your portfolio

## ASSESSMENTS & RESULTS

### Work (Blue Tab)

1. Complete the 6 assessment on the right side of the page.
  2. Once all are completed, return to each assessment and click on “See your Results now.”
  3. Click on any blue link to see recommended occupations based on your results.
  4. Once you have clicked on an occupation of interest, find out more information on the occupation by clicking on the blue tabs to the left of the page.
- The “**What They Do**” tab also provides related careers in the upper right corner
  - The “**Is This for You?**” tab provides more information as it relates to your Interests and Values results and those for the general population of professionals in the field

- The “**Skills You Need**” tab provides more information as it relates to your Skills (Work & Transferable) results and those for the general population of professionals in the field.
- The “**What to Learn**” tab provides more information on potential major categories associated with the occupation. Caution: UL Lafayette may use different names for majors then Choices uses.
- In the upper right corner there are links to “**Print This**”, “**E-mail This**”, and “**Add to Portfolio**”
- “**Add to Portfolio**” will add information to the **Green Tab** under “**Things You Saved**”

## VIEWING YOUR PORTFOLIO

### Your Portfolio (Green Tab)

- **All About You:** Summary of completed results
- **Things You Saved:** All information you saved during your research of occupations
