

COMBINING ASSESSMENTS ON CHOICES360

- Log into Choices360
- Click on Career Planning
- On the next screen, select “Explore Careers”

- Under “Career Exploration Tools,” choose “Career Finder”

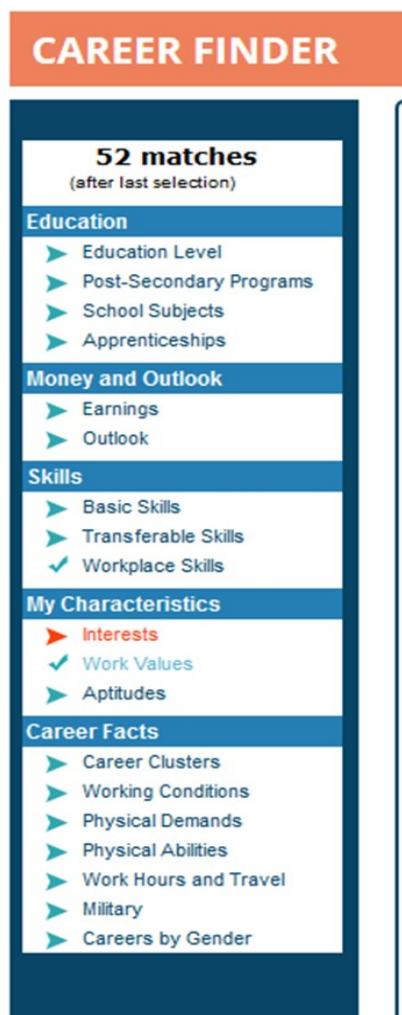

Career Exploration tools

Work History — Find a career based on your previous work history.

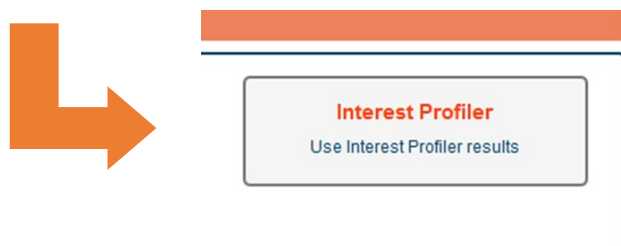

Career Finder — Search for careers using interesting topics like salaries, skills, and interests to name just a few.

Compare Careers — Pick two careers that interest you and compare them side by side.

Career Plan Builder — Mix and match your career and life options to create your future.

- On the left side of the page, click all the targeted assessments under the “Skills” and “My Characteristics” headings that you would like to be factored into your list of matching careers as well as other factors listed.
- Caution: It is recommended to not get too specific on selected criteria. Too much specificity might exclude potential “good fits.”
- To use your results from your assessments, click on the option in the right hand corner, as shown in this example:

- Once you have selected all criteria of interest, a check mark will appear next to the criterion name.

✓ Workplace Skills

- Click “See Your Matching Careers” at the bottom of the page.

SEE YOUR MATCHING CAREERS >

- You will be able to see a summary of what characteristics or assessment results were used to create your combined list of matching careers on the top of the final list page.
